## ASSUMPTION OF RISK & RELEASE OF LIABILITY WAIVER

Welcome to the Herd Peak flying site! Herd Peak is a USHPA insured site, as required by our launch and LZ landowners. As such, the Rogue Valley Hang and Paragliding Association (RVHPA) sets minimum pilot skill and safety standards and requires all pilots, including tandem co-pilots, to sign this waiver prior to flying this site. Additionally, all pilots flying Herd Peak must be current USHPA members and abide by posted flying site rules. All pilots must receive a site introduction as well.

1. I, the undersigned, do hereby acknowledge that I have, of my own free will, requested permission to fly hang gliders or paragliders at Herd Peak. I acknowledge that such flying involves certain inherent risks of personal injury and I realize the risk of personal injury or death is always present, as it is in all forms of aviation.

2. In accordance with the United States Hang Gliding and Paragliding Association (USHPA), I will always fly with protective clothing, helmet, and a functional emergency parachute in compliance with USHPA part 100.

3. I hold a USHPA part 104 pilot proficiency system rating of intermediate (H3, P3) or above. **If not intermediate (H3 or P3) or above, complete (a) or (b) below:**

a. I am a H-2 or P-2 pilot and have been released to fly at Herd Peak by USHPA instructor or observer: \_\_\_\_\_ USHPA # \_\_\_\_\_

b. I have not been released for unsupervised flying at Herd Peak and will only be flying there under the supervision of USHPA Instructor:

4. I acknowledge that the United States Government, including the Bureau of Land Management, the U.S Forest Service, the State of California, Siskiyou County, John Hobart Culleton and family, Eric Thompson and family, and other unnamed landowners are willing to provide me with permission to use their land only if I acknowledge the risk involved and knowingly release them from any and all claims which I, my family, heirs, assigns or personal representative might have on account of personal injury, death or other damage I might suffer while hang gliding or paragliding at or near the Herd Peak flying site.

5. Therefore, I agree to release said property owners, as well as the USHPA and RVHPA, as stated above. In consideration thereof, they hereby give me, the undersigned, permission to use their property with the express right to revoke said permission at any time and for any reason whatsoever.

6. I am an adult in the state of California, eighteen years or older, and of sound mind and body. In witness thereof, I have executed this agreement. (A parent must sign for a pilot under age 18.)
